Художественная детализация

A close-up photograph of a hand holding a small, white, clay-like sculpture of an astronaut. The astronaut is in a dynamic pose, with one arm raised. The hand is using a small, thin tool to refine the details of the sculpture. In the background, another similar white sculpture of an astronaut is lying on a light-colored surface. The background is softly blurred, showing some bokeh light spots. The overall lighting is warm and focused on the hand and the sculpture.

A close-up photograph of a person's hand holding a small, detailed toy ship. The ship is primarily blue with white upper sections and a red stripe along the hull. It has a complex structure with masts and antennas. The hand is positioned in the lower right, with the ship held between the fingers. The background is softly blurred, showing a warm-toned lamp on the left and a window with light coming through. A large, semi-transparent watermark 'AS' is overlaid on the image. The text 'Идеи для волшебства' is written in a white, serif font across the middle of the image.

Идеи для волшебства
